Subject: 3rd Qtr Water Monitoring Data

Pam / Dana,

The 3rd Quarter Water Monitoring data for the Skyline Mines is in the Pipeline and ready for uploading into the Database.

The following six (6) samples have errors that Dana needs to correct: UPDES 001 on 7/13/06, 7/25/06, 8/10/06, and 9/27/06 ask for Total Iron where it is not required; WQ4-12 won't accept 00:33 (12:33 am) as an analyzed time; and 2-413 is asking for parameters that are not required.

Age-dating analysis for the 3rd Quarter has not been received.

Call or email if you have any questions,

Gregg
